- Uphold all policies of the Board of Education

In addition, the Board of Education agrees to:

- Provide administrators with opportunities to improve their management skills
- Provide incentives to administrators to improve these skills
- Respect the administrative chain of command by not discussing policy matters and professional appointments with administrators unless they have cleared this with the Superintendent and the Board of Education

RECOGNITION

In accordance with N.J.S.A. 34:13A-1 et. seq., the Board recognizes the Lower Camden County Regional Principals and Supervisors Association herein known as "the Association", as the exclusive and sole representative for discussion of the terms and conditions of employment of all certified personnel, whether under contract, on leave, on a per diem basis, employed, or to be employed by the Lower Camden County Regional High School District #1 Board of Education, hereinafter known as "the Board" including only: Principals, Assistant Principals, and Instructional Supervisors.

ASSOCIATION/ADMINISTRATION/BOARD
LIAISON

In order to properly implement effective and continuing communication and to resolve differences, Association representatives will meet with the Superintendent and Board representatives on a regular basis.

RESOLVING DIFFERENCES

DEFINITION

A difference is any complaint or claim that there has been an improper application, interpretation, or violation of any term or provision of this Agreement, administrative decision, board policy, or state statute affecting an individual, group of members or the association.

PURPOSE

The purpose of this procedure is to resolve, at the lowest possible level, problems which may from time to time arise affecting members of the management team. Both parties agree that these proceedings will be kept as informal as possible and confidential as may be appropriate at any level of the procedure in order to ensure the management team concept.

PROCEDURE

The individual, a group or the association having the complaint should contact the appropriate individual within the chain of command within twenty (20) work days of the event or when the complainant first becomes aware of the occurrence.

In the event that the concern is not resolved to the satisfaction of the individual, group or association the matter may be brought to the Board Liaison committee within five (5) work days.

In the event that these procedures do not resolve the issue, the matter may be brought to the full Board of Education at their next regularly scheduled meeting, with a response due from the Board in ten (10) days.

No administrator shall be disciplined, reprimanded, reduced in rank or compensation, or given adverse evaluation of his services without just cause.

No complaint shall be the basis of an unfavorable evaluation or disciplinary action, nor shall a record of any complaint be made part of an administrator's personnel file unless the administrator has been formally notified of the existence of the complaint and given full opportunity to respond.

The Board of Education shall not discuss at a public meeting a complaint against an administrator if said discussion could result in a possible imposition of penalty or discipline without adequate prior notice to the administrator.

EVALUATION

All evaluations shall be conducted in accordance with state law and administrative code.

If any such person requires in any school year less than the specified number of days of sick leave with pay allowed, all days of such sick leave not utilized that year shall be accumulated to be used for additional sick leave as needed in subsequent years. The need for presentation of a medical certificate after sick leave shall be at the discretion of the Board of Education. Administrative employees will be paid for unused sick leave upon retirement from the school district.

The administrator will be paid according to the following formula:

Administrators sick leave benefits will be computed at the per diem rate for each member, not to exceed \$30,000. A leave of absence, without pay, for up to one (1) year shall be granted for child rearing to tenured administrators.

Other leaves of absence without pay may be granted by the Board for good reason.

All benefits to which an administrator was entitled at the time his leave of absence commenced shall be restored and he/she shall be assigned the same position.

If an administrator retires or resigns during the contract year, he/she shall receive all earned prorated vacation days or full payment for all said days at the discretion of the Board of Education. If an administrator is unable to use earned vacation prior to June 30th due to illness, the unused vacation time may be carried over to be used during the following fiscal (July 1 - June 30) year. Should a situation arise, it is understood that an administrator may be required to work beyond normal work hours. Instructional Supervisors will teach three (3) classes per day. The remaining periods will be used for Instructional Supervisor responsibilities. Administrators will not be permitted to accept either coaching or extra-curricular positions.

The method used for determining attendance at such conferences shall be seniority. Cost will be paid by the Board in accordance with Policy #4133. Ten month administrators (ie. Instructional Supervisors) are not eligible to attend a national convention as determined by the seniority list of administrators.

Professional development monies not used by participating staff members will be forfeited at the close of each year.

The aforementioned criteria are intended as guidelines. The Superintendent reserves the right to approve/disapprove requests based upon the merit of the request. Decisions made by the Superintendent will be considered final.

ADVANCED STUDY

The Board of Education will provide a total annual sum of \$20,600 for the purpose of administrators' advanced study for graduate credit. From that total sum, the Board of Education will provide each twelve month administrator an annual sum of \$800 and each ten month administrator (ie. Instructional Supervisors) an annual sum of \$600 for registration, tuition and fees for graduate study at any accredited college.

The cost of tuition, registration and fees shall be paid at

the exact cost but not exceeding the above listed limit.

Notification must be given the Superintendent prior to engaging in any graduate studies for which reimbursement will be requested. A standardized form will be used for the purpose of this notification.

Reimbursement will be granted only during the year in which the approved course was taken and completed.

Reimbursement shall be based upon the furnishing of satisfactory proof of payment to the college and the submission of an official transcript, or certified statement, with a grade acceptable to the college for graduate credit.

In the event the entire \$20,600 is not utilized in any given year, each administrator previously qualifying for this benefit during the year may apply for any unused portion.

Administrators requesting this benefit must apply in writing to the Superintendent between June 1 and June 15. Between June 16 and June 30, the Superintendent will review all requests and determine who is eligible and the amount of the benefit. Decisions made by the Superintendent will be considered final.

PROTECTION OF ADMINISTRATORS AND THEIR PROPERTY

The Board shall reimburse administrators for the reasonable cost (not to exceed \$200.00) of any clothing or personal property torn or damaged as a result of retraining students in the discharge of their duties within the scope of employment.

USE OF AUTOMOBILE

SALARY

- A. The salaries of all administrators covered by this Agreement are set forth in the Administrator Salary Guide.
- B. Each Lower Camden County Regional High School District Number One administrator shall continue to be placed on the proper step of the salary guide; however, the Board reserves the right to withhold any and all increments within the procedure as outlined in Title 18A:29-14.
